

Piano Olympics!

Joanne developed Piano Olympics for her students, as a goal for them to work towards over the course of the school year. It is held in the studio a few weeks before the school year ends. Students play their well prepared piece, and receive constructive advice(and bonus prizes!). As a great self monitoring/motivating tool, we highly recommend students to sign up, and participate!

Please stay tuned for updates regarding more information about Piano Olympics this year. A sign-up sheet will also be available virtually!
